**OFFICE OF PETITIONS**

In re Application of :  
Marvin A. Ornstein et al :  
Application No. 09/305,562 : **DECISION ON PETITION**  
Filed: June 8, 1999 :  
Attorney Docket No. ORN-3.0-004 :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed January 10, 2007, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

The application became abandoned for failure to timely pay the issue fee on or before September 15, 2004, as required by the Notice of Allowance and Fee(s) Due mailed June 15, 2004, which set a statutory period for reply of three (3) months. Accordingly, the application became abandoned on September 16, 2004. A Notice of Abandonment was mailed on January 27, 2005.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(II)(C) and (D). The instant petition lacks item(s) (1), (2) and (3).

As to item (1), the issue fee is currently \$700. Accordingly, the \$665 issue fee payment received is deficient by \$35.

As to item (2), the statute at 35 U.S.C. § 41(a)(7) requires submission of a fee for revival of an application under the provisions of 37 CFR 1.137(b). Accordingly, as this application currently claims small entity status, a \$750 petition fee is required to revive this application.

Lastly, as to item (3), a statement is required that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional."

In sum, a \$35 balance is due for the issue fee, a fee of \$750 is due for the petition to revive, and a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional" are required to revive this application. The items noted above must be accompanied by a renewed petition under 37 CFR 1.137(b).

The decision on this petition was originally mailed on August 27, 2007, but was returned to the Office as undeliverable. A change of address should be filed in this case in order that all correspondence may be timely received. The period for replying to this decision runs from the date of the re-mailing of this decision.

Further correspondence with respect to this matter should be addressed as follows:
